NAME AS APPEARS ON CARD _____

CARD BILLING ADDRESS (If different from above) _____

AUTHORIZED SIGNATURE _____ DATE _____

Terms: Payment plans begin on the 1st of the month after the class start date, but you have the option to start your payments earlier if you wish. Jump Start Week Level 1 and Level 2 are separate payment plans that require separate contracts. You may sign up for both levels using our Payment Plan Options. You do not have to wait for one Payment Plan to end to begin another. There is no penalty for paying off a Payment Plan early.

A Payment Plan is a serious contract. There are serious consequences for not fulfilling your contractual payment obligations. Make sure you are capable of completing the required payment structure before you enter into this contract. You are liable for payments even if the class of choice is not completed. If you are more than 5 days late in a successive automatic credit card on file payment, you will be assessed a \$25 late fee which will be added to the installment principle for that month. You may repay all or any part of the principle without penalty. If you are more than 10 days late in making a payment, The Makeup Institute may declare that the entire balance of unpaid principle is due immediately with all processing fees and late fees that have accrued. In the unlikely event of your failure to pay the amount due, you will be subject to collection expenses, attorney fees, court costs, and travel expenses necessary for The Makeup Institute to recover your unpaid debt.

Your Payment Plan outline/approval will be emailed within 5 business days of receiving.

Students who register for a class using a Payment Plan will not receive their Certificate of Training or Photos until the Payment Plan is successfully completed. Please call our offices with any further questions. Our toll-free number is **800-566-2538**.

I agree to the above outlined terms and conditions of this Payment Plan agreement.
